

I WILL BE GOOD

Technical Rider

Set needs:

One arm chair, as seen in a career counselor's office (stage right)

One stool, as seen in an art school (stage left)

An end table (to left of chair)

A pedestal (to right of stool)

A rug

Audio visual:

Screen or flat white surface

Projector

Cable to attach projector and laptop computer

Sound:

Professional quality system to play pre and post show music, plus three music cues during performance

Technician

Lighting:

Existing plot should suffice, but must adjust to provide two spots during performance
